

Mahdy Research Academy

Private research under supervision of Dr. Mahdy (part B)

Assignment 1 | Assignment Paper Implementation

Task:

1. Select a paper for your group.
2. Read and understand the paper.
3. Implement (code) the paper as a group.
4. Reproduce the results as much as possible.
5. Upload all codes in an organized manner in Github.
6. Share the repo link to the classroom assignment and turn it in.
7. Group members may have to present the codes to the YEs in a live session.
